At Westage, Property Management is our top priority. The Westage Companies Property Management Team maintains each of our owned properties. Our portfolio is in excess of 350,000 sf of primarily Medical Office Space. As owners we have exclusive insight to the needs and critical issues of our clients. We are dedicated to providing our clientele with a full range of services in a timely and efficient manner.

At a time when energy costs are draining company budgets, it is *imperative* that your systems are running as efficiently as possible. Our professional team provides routine maintenance checks on all building operations to ensure uninterrupted service as well as quality performance and efficiency. When an emergency occurs, Westage's 24-hour local crisis response team reacts quickly and, when necessary, arranges for timely contractor support.

***Your first priority is to focus on your core business.
Let us help you accomplish your goals by doing what we do best...***
